A word from Chris,

Hello residents, families and friends,

It is my pleasure to introduce this inaugural edition of our new Lionsbrae Newsletter. The newsletter will be a newsy quarterly update on all things Lionsbrae and RALAC. It's a wonderful initiative and great opportunity to show all the great things which happen at Lionsbrae and keep everyone in the loop.

One question I do get asked regularly is: What is RALAC? The short answer is that RALAC's heritage stems back to 1963 with the opening of our Lionswood community housing village in Kirk Street Ringwood.. Later in 2003, three regional Lions service clubs merged their respective community housing and aged care services to create Ringwood Area Lions Aged Care Inc. and "RALAC" was born.

Today RALAC remains a proud community based NFP offering affordable community housing and specialist residential aged care to older or vulnerable people in Melbourne's outer Eastern suburbs. We operate from three sites in Ringwood: Lionsbrae Hostel, Wilana Community Housing Village and Lionswood Community Housing Village. Increasingly we are also responding to the growing trend of homeless amongst older single women and we also liaise with Uniting to provide much needed crisis and short-term accommodation.

Take care,

Chris Reside

Lionsbrae Newsletter

Issue: Jan/Feb/March 2026

A word from Mal,

Hello everyone,

Welcome to our first update of 2026!

After a huge year in 2025, we're already off to a busy (and exciting) start.

New Electronic Clinical Management System

We've begun rolling out a new Electronic Clinical Management System, which is a very big project and will take around three to four months to complete. To make sure everything goes smoothly, Hardev will be stepping back from her usual role to lead the project, and Silky has stepped into the Clinical Manager position. This new clinical system will streamline our communication with government platforms, improve reporting and record keeping, and set us up with strong, reliable documentation for many years to come.

Hot Weather

The recent hot spell has certainly made itself known!

Here at Lionsbrae we're doing everything we can to keep residents cool and hydrated, offering extra fluids, keeping curtains closed during the hottest parts of the day, and providing icy poles for anyone who'd like one. While we're keeping everyone cool here, we hope you're looking after yourselves too: drink lots of water, stay in the shade or indoors where possible, slip on sunscreen, pop on a hat and then... drink more water.

Welcoming Verity

And finally, a warm welcome to Verity, our new Lifestyle Coordinator. Verity brings many years of experience, and her leadership and passion for resident wellbeing have already had a noticeable impact. Her enthusiasm is infectious and reminds me how powerful small moments of care and connection can be.

Here's to a bright and busy year ahead! Thank you for your ongoing support, kindness, and the wonderful sense of community you help to create every day.

We're excited for all that 2026 will bring and look forward to sharing the journey with you.

Malcolm Taylor

Residential Services Manager– Lionsbrae

Consumer Advisory Body

This year Lionsbrae will have a Consumer Advisory Body (CAB), in order to, provide valuable feedback to the Ralac Board about the care and services and what matters most to you. Lionsbrae CAB will meet every quarter. CABs are successful when they include varied representation from the people receiving care. If you're interested in joining CAB please contact Verity the Lifestyle Coordinator on: 03- 98709602 or email: lifestylecoordinator@ralac.org.au

NDIS Renewal

Lionsbrae will soon start its regular 3- yearly NDIS Provider registration renewal. As part of the re-registration process, we will engage a 3rd party NDIS auditor to review our NDIS services against the NDIS Quality Standards. The NDIS Quality and Safeguards Commission will then determine (we confidently expect) to again renew our NDIS Provider registration.

Lionsbrae residents who are also NDIS participants will be invited to be interviewed by the auditor as part of the process. Your input is very important, so we'll keep you posted when the audit process gets underway.
